

Night Club Card (NCC) Picture Options 2017 Ski Season

The NCC is a photo ID card; therefore, it is **HIGHLY RECOMMENDED** that a photo be stapled to the Release/Order form where “staple new photo” is printed. New photos can be no smaller than 1-1/2” x 2-1/2” with a full face image, *without a hat*. The participant’s name and the word “Gaithersburg” should be on the back of the picture.

Members also have the option to have their picture taken at Guest Services during their first trip to Liberty and receive their new card (be aware that this process may take a significant amount of time waiting in line at Guest Services). ***We are not responsible for lost or stolen cards. Liberty charges a fee of \$25 to reissue a card.***

Please check one of the following picture options for your Night Club card:

- I am uploading my picture directly to Ski Liberty (Suggested Method).** Please see “*Uploading Your Photo For Liberty Mountain Resort*” form for information.

- I am stapling a new picture w/ specified dimensions to the Release form.**

- I would like you to use my picture from last year.** *Please Note:* if the same photo has been used on your Night Club card for 2 years, you must use a new picture or have your picture taken on your first trip to Liberty.)

- I would like to get my picture taken at Guest Services on my first ski trip to Liberty.**
